

June 9, 2000

Dear Sir or Madam,

- Would you be interested in getting **first hand information on how the new US certification scheme (based on Telecommunication Certification Bodies, TCBs) works** and how it will affect the certification of your products in the North American market?
- Are you interested in finding out **what is happening in the European Union with the new R&TTE Directive** and which are the pros and cons of this new regime for the Global Telecom Industry?
- Would you also be interested in learning **how all these concepts are covered by the Mutual Recognition Agreements (MRAs) and how they can be applied to emerging technologies like Bluetooth™ wireless technology?**

CETECOM-TÜV ESSEN and **Communication Certification Laboratory (CCL)** are pleased to invite you to attend the **R&TTE and TCB Seminar (Practical case: Bluetooth™ application)**.

The seminar will be held at CETECOM-TÜV ESSEN facility in Silicon Valley (Milpitas, California) on **Thursday July 27, 2000. Join us and learn how you can access faster to the Global Market !!!!**

Those topics and many more will be presented and discussed by a wide range of experts:

- **Mr. William Hurst (CCL)**  
Vice President  
Chairman of the TCB Council
- **Mr. Lothar Schmidt (CETECOM)**  
EMC & Bluetooth™, Technical Manager  
Bluetooth™ Qualification Body (BQB)
- **Mr. Lars Eriksson (CETECOM)**  
Mobile Communications (GSM), Technical Manager
- **Mr. Mike Paczonay (CETECOM)**  
Bluetooth™ Senior Consultant

Enclosed, please find the seminar brochure, outlining more details on the topics of discussion throughout the day, as well as, cost and how to register.

Please, feel free to contact us at any time if you have any questions or need clarification on any of the topics set to be discussed.

Best regards,

William Hurst  
Vice President  
Communication Certification Laboratory (CCL)

Fernando Hardasmal  
General Manager  
CETECOM-TÜV ESSEN
